

# Creating a safer learning environment.

improved security for the educational sector.

Security Solutions  
from the very best

## Education today is so much more than just a school...

Schools have become community centres – they are popular, colourful, family orientated, vibrant places of learning and fun for all the family!

Creating a secure environment, for pupils, parents and staff through efficient 'people control' is pivotal to meeting the demands of today's Health & Safety and DDA requirements.

Meesons have created a unique 'one stop shop' solution with our exclusive range of access control systems, developed for educational establishments across the UK.

### Turnstiles

**Controlling people access and movement** into schools, colleges and universities is a necessity to ensure only those authorised to enter have the freedom to do so!

Meesons' turnstiles cover a wide range of applications for both indoor and outdoor use.

Ideally suited is our bar and round turnstile and the rugged Rexion range manufactured to take on the toughest outdoor conditions.

All our turnstiles deliver the same benefits:-

- Cost effective, high quality, fit for purpose equipment
- Total project management by our qualified engineers
- Nationwide installation teams to guarantee on time installation

### Counters and Screens

**Fixed Security Screens – Improved security with style.**

Creating a safe working environment improves staff motivation.

Meesons fixed security screens have been developed not only to provide the safe working environment staff expect but also to improve staff to 'customer' communication.

Our unique 'one stop shop' developed for the educational sector delivers a total bespoke solution. We design, manufacture and install counter units to suit a wide range of screen configurations and glass specifications to ensure DDA compliance.

We also stock a wide range of accessories for our counters and screens.

## Automatic doors

### Access for All – Opening Doors For everyone.

Our automatic doors help to create a welcoming environment which is so important for staff, parents and pupils in schools today.

Educational establishments are busy places, 'people flow' needs to be as effortless as possible.

Meesons' automatic doors are ideal for this hard working environment. Doors specifically designed to deliver 'access for all' and comply with the latest DDA legislation.

At Meesons we deliver:-

- Cost effective, high quality, fit for purpose equipment
- Total project management by our qualified engineers
- Nationwide installation teams to guarantee on time installation
- All our automated doors comply with the latest DDA legislation and BS7036:1996.
