

Improving staff and customer satisfaction.

Efficient 'people control' at leisure centres.

Access Controls
from the very best

Leisure centres today are far removed from the drab places of old – They are popular colourful, family orientated, vibrant places of fun!

Popular 'places of fun' require improved, up-to-date 'people control' to meet DDA and Health & Safety regulations and create a safer environment for customers and staff alike.

Meesons are the experts in 'people control' and the UK's leading solutions provider of access controls.

Working with our global partners, we have created the 'one stop shop' people control solution for Leisure Centres across the UK.

We are the UK's leading provider for: -

- Turnstiles
- Counters and screens
- Automatic doors
- Delivering customer and staff comfort through improved 'people control'.

Automatic Doors

Access for All – Opening Doors For everyone.

A welcoming environment is created through improved people access. Leisure centres are busy places, 'people flow' needs to be as effortless as possible.

Meesons have developed a range of automatic doors for this hard working environment. Doors specifically designed to deliver 'access for all' and comply with the latest DDA legislation and BS7036:1996

We deliver, cost effective, high quality – fit for purpose equipment. We product manage the entire process using our qualified engineers, and our nationwide installation teams guarantee on time installation.

Turnstiles

Controlling people access to create a safer environment.

Controlling 'people access' into all areas of a leisure centre is a vital necessity, eliminating the dangers of overcrowding while ensuring only those who have 'paid' get in!

Meesons' turnstiles provide a wide range of applications for both indoor and outdoor use.

Ideally suited for leisure centres is our bar and round turnstile range and the rugged Raxon range manufactured to take on the toughest outdoor conditions.

We have built our reputation on delivering: -

- Cost effective, high quality, fit for purpose equipment
- Total project management by our qualified engineers
- Nationwide installation teams to guarantee on time installation

...which is another good reason to choose a Meesons turnstile.

Counters and Screens

Fixed Security Screens – Improved security with style.

Where cash comes in - security is required...

Staff expect to work in a safe and secure environment, but security comes with a price to pay –

Barriers create tension between customer and staff.

Meesons' fixed security screens, developed with the customer in mind improve customer-staff communication - a vital part of creating customer loyalty yet delivering the protection your staff expect.

Created exclusively for leisure centres our unique 'one stop shop' designs, manufactures and installs counter units to suit a wide range of screen and glass specifications. to ensure DDA compliance.

We stock a wide range of accessories including cash turntables, slider trays and speech enhancement systems.

Unmanned solutions

Secure Anti-Tailgating solutions allow 24hr operation without the risk of membership abuse or unauthorised entry.

"Whatever your requirements Meesons have the right access control system for your needs. We have been established over 100 years and are at the forefront in delivering enhanced "people control" solutions. Working with many of today's leading specialist companies we have built up a reputation for innovation, product quality and a level of service that sees the company working with an ever widening range of customers including large multi-national corporate organisations and Government bodies".
