

Retractable screens ...enhancing staff protection.

Improved staff security from the leading
Provider of Security Screens.

**Safety Screens
from the very best**

Improving customer communication... Enhancing staff protection.

People hate talking through glass screens they create a barrier which generates friction and destroys customer good will.

Wouldn't it be nice to provide the security your staff need, but only when they need it, at the touch of a button?

Meesons have the solution with their range of fully automated, retractable counter security glazing systems.

- We are the UK's exclusive distributor installer for Svalson Retractable Screens
- We provide a unique 'one stop shop'. We design, manufacture and install counter units for the entire range of retractable screens to suit all environments and applications and ensure DDA compliance.
- From installation to commissioning we deliver the security solutions and the level of service our customers demand.

Today the name of Meesons and Svalson is synonymous with a single word - Quality!

At the Touch of a button

- Improved staff to customer communication while delivering unparalleled staff protection.
- Open, partially open or closed position options. Push-button or foot-switch operation.
- Inbuilt safety and locking system:-
 - Panic option
 - Glazing choices are available to suit each application
- A range of screen configurations, specifications and sizes manufactured to suit specific installations
- Wide range of accessories including cash turntables and slider trays
- Delivering the quality you would expect from Europe's leading provide of security glazing systems
