

EasyGate SPA

The EasyGate SPA is an innovative “Pay to Access” Speed Gate designed specifically for public accessed facilities. The EasyGate SPA Speed Gate enables organisations to charge an unmanned entrance fee, day or night. Access to the Speed Gate cabinet and coin box is controlled by different safety locks, ensuring only authorised personal can access either area.

MAIN FEATURES

- Low maintenance brushless operation – Patented Magnetic Direct Drive system
- Fully automated “Pay to Access” entry system, free exit passage
- High security – 1 400 mm high tempered glass barrier panels
- LCD display with intuitive multi-language navigation icons
- Coin, contactless card & NFC payment methods accepted
